

# CHRISTMAS 2023 MISSIONS PROJECTS

To accomplish what God has called us to do at JSMI we have prioritized four ways to minister to people. Motivate, Evangelize, Disciple and Reach Out. Our Christmas missions projects this year are all about reaching out to the hurt with not only food but also bringing the JOY of JESUS at a time when hurting and being alone just feels harder than at any other time of year. Jerry Savelle Ministries Australia would like to assist in impacting people's lives this Christmas and we would love you to prayerfully consider being a part of this. *All donations need to be received by Tuesday 8th December*

Please note JSMI Australia has had long standing relationships with all of these organisations and every dollar raised will go directly to your chosen project.
